

2025 Major Grant

Pacific Hospital Preservation & Development Authority

Agency and Project Details

Project Name*

Character Limit: 250

Agency Type*

Select your agency type from the list below. If you are using a fiscal sponsor, the application must be submitted by the sponsoring agency.

Program Type*

Select the type of program from the list below.

Service Delivery:

- Services funded by the grant must be delivered within King County. If your program operates in multiple locations, with only one in King County, the grant can only fund the portion of the program based in King County.
- Clients and patients may reside outside of King County, as long as services are delivered within King County.

Advocacy:

- Advocacy grants can focus on King County or have a broader scope, including statewide initiatives.
- If the advocacy extends beyond the local area, the project must demonstrate an impact on health disparities in King County and the Puget Sound region.

Is this a new, expansion, or continuing program?*

- **New:** Launching a completely new initiative.
- **Expansion:** Growing an existing project by serving more individuals, reaching new populations, adding services, or expanding to new locations.
- **Continuation:** Maintaining an existing project to sustain current service levels after other funding has ended.

Choices

New

Expansion

Continuing

Target Population*

What is the primary target population for your project?

Choices

African
American Indians/Alaska Natives
Asian
BIPOC
Black/African American
Children & Youth
Homeless/Unstably Housed People
Immigrant/Refugee/Asylum Seeker
Incarcerated/Justice System Involved
Latino
LGBTQIA++
Low Income
Middle Eastern
Multiracial People
Pacific Islanders
Seniors
Uninsured/Under Insured

Funding Requested*

\$50,000 - \$200,000

Character Limit: 20

Project Summary*

Character Limit: 250

Narrative Questions

Question 1*

What health outcome or access disparity will this project address?

- Please include details on the geographic and demographic/population focus, as well as the specific aspect of the healthcare system or services (e.g., access, delivery) that the project will target.

Character Limit: 1000

Question 2*

How will your proposed program address the identified health outcome or access disparity?

- Briefly describe the program activities and **explain how they directly address the identified issue.**

Character Limit: 2000

Question 3*

What are the short- and long-term health impacts of the program?

- Please include details on the size of the population reached and both qualitative and quantitative goals.

Character Limit: 1000
