

2026 Major Grant

Pacific Hospital Preservation & Development Authority

Agency & Project Details

Project Name*

Character Limit: 250

Agency Type*

Select your agency type from the list below.

Agencies that do not currently have non-profit status may apply for funds through a fiscal sponsor. The fiscal sponsor must be the applying entity and the relationship should be made clear in the application.

Program Type*

Service Delivery:

- Services funded by the grant must be delivered within King County. If your program operates in multiple locations, with only one in King County, the grant can only fund the portion of the program based in King County.
- Clients and patients may reside outside of King County, as long as services are delivered within King County.

Advocacy:

- Advocacy grants can focus on King County or have a broader scope, including statewide initiatives.
- If the advocacy extends beyond the local area, the project must demonstrate an impact on health disparities in King County and the Puget Sound region.

Program Evaluation:

- Program evaluation projects may have statewide reach, but must demonstrate significant impact within King County.
- Limited to community-based health projects, not solely academic research projects.

Select the type of program from the list below.

Focus Area*

2026 Major Grants are limited to organizations with projects in one or more of the below focus areas.
